

Garrett Cooke Mathematics and Physics Tuition : Tuition Fees

My charges for tuition are for my tuition time only. I charge per hour of my time for tuition sessions with students whether in person or online. I do **not** charge extra for travel time (where travel distance is less than 15 miles from my home in Sandhurst, Berkshire) preparation time or for marking of 'homework' from students.

For a one hour session of in person tuition given in student's home or at a location of the student's choosing different from my office:

A level (or above) £35

GCSE (or below) £30

For an hour of on-line tuition or tuition given at my office:

A level (or above) £30

GCSE (or below) £25

Please note that I only offer tuition to unaccompanied students at my office to A level students or adult students.

Please also note that I operate a 48 hour cancellation policy. Any lessons cancelled less than 48 hours prior to a session and where it is not possible to rebook the session to a mutually suitable alternative timeslot will be charged in full. If a cancellation is unavoidable (for example due to sickness) I will strive to rebook the session to another timeslot suitable for both the student and myself and then the cancelled session will then not be charged for.

Garret Cooke, December 2022.
